DIRECTORY

COMPILED AND PRINTED BY
ROBERT G. BAILEY and PAUL B. BLAKE
“The Bailey Way”

Comprising the names of every person in the Lewiston-Clarkston Valley above the age of 16 years, together with their residences, business addresses and occupations. These are from a direct personal house-to-house canvass.

In addition, there is given the names, addresses and occupations of all heads of families and business firms throughout the entire counties of Nez Perce and Asotin. These are compiled from the tax lists and checked from other reliable sources, which makes the listings almost perfectly accurate.

This directory is issued at the suggestion of the Lewiston Commercial Club backed whole-heartedly by the Lewiston Ad. Club. Both of these organizations have assisted materially with their moral support, while practically the entire business element of the Lewiston-Clarkston Valley has contributed to the financial support of the enterprise.
